

Experience and Client List

Scandiuzzi Krebs is a start-up strategy firm for the arts founded by Carlo Scandiuzzi and Josef Krebs. We define arts broadly to include creative technology. We have more than 80 years combined experience in revenue generation for creative endeavors and have raised more than \$50m for non-profits. We are a full service firm, capable of everything from database management to large capital campaigns.

Bios of our team can be found at scandiuzzikrebs.com.
